VI. Conference Report

- Kevin Cloninger (Outgoing President) and Jodie Wilson (Conference Chair 2017) presented on the Denver conference:
  - The total number of attendees were 197.

  - Denver University Morgridge College of Education shared that they would be willing to offer their new conference venue for future conference.
  - The roundtables were well attended. The panels less so.
  - Perhaps fewer round tables in each conference room (because of noise) and having a discussant at each table or at least a time-keeper.
  - Need to the difference between round tables vs. issues and ideas sessions.
  - Need to improve the paper program (not just a dump from the app) with more information about each session.

d. **Spring Meeting**

• John Pecore will be sending out a Doodle poll to select a date for the spring meeting. It will be held on the site of the conference in Dallas.
